ACCOUNTANTS AND  
BUSINESS ADVISERS

*Developing a wide network and a diverse range of interests, in and outside work, means I can bring a wider perspective to my clients' businesses.*

## Warren Hobbs

### Background

Warren has been a Partner of Schulz Hobbs since 1985. During this time he has gained considerable experience working with small to medium enterprises (SMEs) in the areas of business, management and tax. He is also a Company Director of several SMEs.

### Expertise

Warren is passionate about helping clients improve their businesses. He has led the creation of the Schulz Hobbs' Business Development arm, enabling businesses to grow and offering a comprehensive range of core services:

- Business and financial monitoring
- People management
- Succession planning

Warren also enjoys a very extensive professional contact base (see "LinkedIn"). An enthusiastic networker, his wide referral network offers significant ongoing benefit to clients.

The Biz Boost sessions are facilitated by Warren, available to clients, covering a range of business improvement topics.

He has also been instrumental in developing clients in Roxby Downs, visiting regularly and helping with the business management of numerous Roxby businesses, including three in which he is personally involved.

### Industry Experience

Having worked with an extremely diverse range of clients, Warren is well versed in most industry sectors. In particular, he looks after a number of high profile businesses including a national timber veneer importer/distributor; a large construction company; mineral/resources companies; a retirement village group; a real estate company; and a timber/hardware company. He also works with businesses in sectors that include retail; manufacturing; engineering; building; medical and other professional practices and investment.
